

Baruch Houses Recovery to Resilience Flood Walls

P6

- ✓ Flood wall on Baruch Drive and other flood proofing measures to protect buildings in flood-prone areas.

P7

p11

Note double layer wall

SEATING AREA AT FLOODWALL

p13

Will residents be required to walk around the proposed flood wall to reach the other side of Baruch Drive?

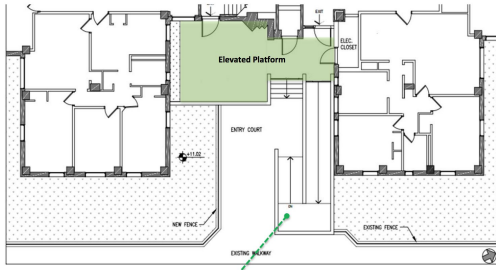

No. The proposed flood wall on Baruch Drive will feature four access points that will comply with the Americans with Disabilities Act (ADA). Residents can use these access points to reach either side of Baruch Drive.
